2019 Salary Survey Results

Order the **new 2019 Salary Survey Results** to see what other organizations are paying their employees and be sure your salary structure is up-to-date. This is the only such survey in Iowa. To order your copy today, please complete the form below and send in payment for the amount due.

The Leading Age Iowa Salary survey captures relevant, Iowa-based wage and benefit data so that employers can remain competitive in the field without violating antitrust laws. All Facilities are strongly encouraged to utilize such a survey when evaluating compensation rates.

Antitrust violations have been on the rise across the country; it is important for employers to note that antitrust laws prohibit competitors from setting compensation levels for staff. Illegal arrangements can be formed without a contract as courts have viewed handshakes, winks, nods, and even failures to respond to a statement as evidence of illegal arrangements of setting compensation levels.
