PDPM: Creating Efficiencies and Maximizing Reimbursement

January 28, 2021 **April 14, 2021**

This event is scheduled in a virtual, live-streaming webinar format. To meet the regulatory and education requirements, participants must stay for the entire event to receive credit. Sign-in and sign-out times, as well as attentiveness, will be verified before credit is issued. Contact [Amy Huisman](#) for details or questions.

PROGRAM DESCRIPTION

Interim Payment Assessments (IPAs) are a critical piece to achieving accurate reimbursement under the Patient Driven Payment Model (PDPM). Providers need to load their PDPM arsenal by understanding how IPAs are correctly used and the risk associated with missing IPAs when they are indicated. Gather your interdisciplinary team (IDT) and join self-proclaimed PDPM Nerd, Melissa Brown as she explores IPAs and guides the IDT to develop and implement “Stand Ups” that align with the new key metrics under PDPM.

This is an engaging and interactive session that will work in groups to simulate a team meeting to discuss the resident, calculate a PDPM score, and determine the per diem rate and RUG scores based on examples provided. You’ll learn how and when you can properly capture isolation for COVID and beyond. Avoid the common pitfalls and challenges that may be faced when COVID hits your organization. Finally, a sample IPA Policy and Procedure will be reviewed including the elements designed to protect and guide your organization.

- Review examples of the impact of reimbursement through IPAs.
- Incorporate and implement a newly created PDPM-focused Stand-Up form into your best practices process.
- Discuss the various elements of an IPA Policy and Procedure that is designed to guide and protect your organization.

INTENDED FOR

The program is appropriate for all members of your interdisciplinary team. Appropriate for SNF/LTC.

PROGRAM AGENDA

Wednesday, April 14, 2021 12 - 3:45 p.m. CT
A 15-minute break will be scheduled during the session.

FACULTY

Melissa Brown, OTR/L, CDP, CSRS, Chief Operating Officer, Cumberland, MD

Melissa (Sabo) Brown is the chief operating officer with Gravity Healthcare Consulting. An occupational therapist with more than 15 years of experience across the health care spectrum, Brown specializes in skilled nursing and long-term care settings. A self-described “PDPM Nerd”, she has studied more than 3,500 pages of regulations and guidance from CMS to supply providers with key strategies and analysis for success under the new payment model, while always striving for excellence in care. She has served as a clinical liaison and compliance officer for several rehabilitation services companies and understands well the challenges that skilled residents face every day. She specializes in strategizing through regulatory changes and burdens to help communities provide outstanding clinical care while achieving operational success.

CONTINUING EDUCATION CREDIT

Nursing Home Administrators – 3.5 contact hours. This program is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators. You must attend the entire program to receive credit. No partial credit allowed. If audited, you will be asked to provide your certificate of attendance and program material. Retain certificate for four years.

Iowa Board of Nursing Provider #67 - 3.5 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. You must attend the entire program to receive credit. Retain certificate for four years.

For other long-term support and service provider professional not listed above: Most licensure boards, credentialing agencies, and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios, and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.

REGISTRATION INFORMATION

Register at www.LeadingAgeIowa.org/PDPMWorkshop. Fees are per connection at a facility. Registration instructions and handout materials will be sent to the contact person on the registration prior to the program.

LeadingAge Iowa Member	\$135
Prospective Member Rate	\$250

Registration fee includes electronic handout, one connection to the live workshop, and instructions for receiving CE credit/attendance certificate. A recording of this workshop is NOT included in the registration fee.

LeadingAge Iowa virtual events deliver value to you with:

- No travel cost and time out of the building.
- No limit to the number of staff who can participate LIVE and receive CE credit - using one connection per registration.
- Designed to train your entire IDT at the same time.

REFUND POLICY

The online registration deadline is April 9, 2021. No-shows will be billed. No refunds for failure to log-in at the time of the event. Substitutions welcome anytime via email. All cancellation and substitution requests must be emailed to Amy Huisman (ahuisman@LeadingAgeIowa.org). A full refund will be given to all cancellations received 10 or more business days prior to the workshop. A \$50 administrative fee will be charged to all cancellations received six to nine business days prior to the workshop. No refunds will be given to cancellations received five or fewer business days prior to the workshop. Refunds will be calculated by the date received and the LeadingAge Iowa business days remaining prior to the first session in the workshop. LeadingAge Iowa reserves the right to cancel the program due to insufficient enrollment in which case pre-registered participants will be notified and full refunds provided.
