

The LeadingAge Iowa Assisted Living Nurse Delegation course is formatted to help attendees manage their time while still receiving quality training and networking with colleagues. LAI recognizes that people want more options when it comes to training delivery models. **The live session will be available for attendees to register for either in-person in a traditional classroom model or in a live-streaming, virtual zoom setting.**

PROGRAM DESCRIPTION

This class meets Iowa Assisted Living Regulation: 481-69.29(6): All programs employing a new delegating nurse after Jan. 1, 2010, shall require the delegating nurse within six months of hire to complete an assisted living manager class or assisted living nursing class whose curriculum includes at least six hours of training specifically related to Iowa rules and laws on assisted living. A minimum of one delegating nurse from each program must complete the training. If there are multiple delegating nurses and only one delegating nurse completes the training, the delegating nurse who completes the training shall train the other delegating nurses in the Iowa rules and laws on assisted living. As of Jan. 1, 2011, all programs shall have a minimum of one delegating nurse who has completed the training described in this subrule. The live training session will be available as either in-person in a traditional classroom model or in a live-streaming, virtual zoom setting.

- Review the philosophy of Assisted Living as well as current rules, trends and updates.
- Explore nurse delegation and medication management in the ALP.

PROGRAM AGENDA

April 4, 2024

8:30 a.m. – 12 p.m.*

Assisted Living Administrative Rules, Trends and Updates (Linda Kellen, Department of Inspections, Appeals, and Licensing)
 Knowing the regulations and understanding the monitoring process will assist in maintaining a focus on quality tenant services. A review of what to expect during this process and the documentation needed to be successful will be held.

12:30 – 2 p.m.

Philosophy of Assisted Living (Kellie Van Ree, LeadingAge Iowa)
 This session will discuss the philosophy and background of assisted living. The principles of assisted living will be reviewed along with a comparison of assisted living to other residential programs. The basic concepts of choice, independence, privacy, individuality, and dignity will be discussed.

Survey Trends (Kellie Van Ree, LeadingAge Iowa)
 This session will review the most commonly cited insufficiencies of assisted living programs. Best practices for successful surveys will also be discussed.

2:15 – 4:30 p.m.

Medication Management (Julie Johnson, Healthcare of Iowa)
 During this presentation, we will cover medication management in assisted living. We will also cover high risk medications, why they are high risk medications, and what you need to be aware of when tenants are receiving high risk medications.

Nurse Delegation and its Use in Assisted Living (Julie Johnson, Healthcare of Iowa)
 Nurse delegation and its use in assisted living will be reviewed. The role of the assisted living nurse and direct care worker will be presented and how delegation can be used effectively.

*A 15-minute break will be scheduled during this session.
