

Tuesday, August 18, 2020

1:00 p.m. - 2:15 p.m. CT

Registration Deadline:

August 17, 2020

Questions?

Contact LAI at 515-440-4630 or email us at info@leadingageiowa.org

Refund Policy

No-shows will be billed. No refunds for failure to log-in at the time of the event. Substitutions welcome anytime via fax or email. A full refund will be given to all cancellations received 10 or more business days prior to the program. A \$25 administrative fee will be charged to all cancellations received six to nine business days prior to the program. No refunds will be given to cancellations received five or fewer business days prior to the program. Refunds will be calculated by the date received and the LeadingAge Iowa business days remaining prior to the program. LeadingAge Iowa reserves the right to cancel the program due to insufficient enrollment in which case pre-registered participants will be notified and full refunds provided. All cancellation and substitution requests must be emailed to Amy Huisman (ahuisman@leadingageiowa.org).

5018-20

Overview

This session will review the antipsychotics quality measures that impact the Quality Measure (QM) component of the Nursing Home Compare 5-Star Quality Rating system. During the session, we will review how these measures are calculated and how they impact your overall 5-Star Quality Rating. The session will focus on best practices for reducing antipsychotic medications and chemical restraints in your facility and how to improve these measures using a Quality Assurance Performance Improvement (QAPI) framework with emphasis on reduction of common MDS coding errors and implementation of a facility specific 5-Star road map action plan. Sample tools will be shared for driving and sustaining antipsychotic reduction efforts.

Learning Objectives

By the completion of the presentation, attendees will be able to:

- Review how the antipsychotics quality measure is calculated and impacting the 5-Star Quality Rating score.
- Examine best practices for reducing antipsychotics and improving your antipsychotic quality measures.
- Describe a process for establishing priority QAPI goals and actions to improve antipsychotics reduction efforts.

Who Should Attend

Director of Nursing, Assistant Director of Nursing, Nurse Managers, Nursing Home Administrators, Nursing staff and leaders, Quality Assurance Director, Social Services, and Rehabilitation services. Intermediate instructional level.

Continuing Education Credit

Nursing Home Administrators – This session is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators for 1.25 contact hours. No partial credit allowed. Retain certificate for four years.

Iowa Board of Nursing Provider #67 – 1.25 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. Retain certificate for four years.

For other long term support and service provider professionals not listed above: Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.

Faculty **PROACTIVE**
MEDICAL REVIEW

Shelly Maffia, MSN, MBA, RN, LNHA, QCP, Director of Regulatory Services, Proactive Medical Review

Shelly Maffia is a Registered Nurse and Nursing Home Administrator who has served in long term care leadership and consulting positions, including positions as Director of Nursing, Administrator, and Corporate Nurse Consultant. She earned the QAPI Certified Professional (QCP) credential from the American Association of Nurse Assessment Coordination (AANAC), which was established to promote the highest standards for QAPI program implementation in the long-term care profession.

Registration Information & Fees

Register at www.LeadingAgeIowa.org. Fees are per connection at a facility. Registration instructions and handout materials will be sent to the contact person listed on the registration a day prior to the program.

LeadingAge Iowa Member Facility	\$70
Prospective Member Facility	\$130

Registration fee includes electronic handout, one connection to the live webinar, and instructions for receiving CE/attendance certificate. A recording of this webinar is not included in the registration fee.

This session is included in the 10-part webinar series focused on 5-Star Insights: Achieve 5-Star in 2020. Participants may register for each of the 10 webinars individually or register for the full series at a discounted rate (LAI member rate is \$500). Recordings of the live sessions are included with the full-series purchase (CE credit available for live sessions only). [Click here](#) for more information regarding the full-series purchase.
