Powered by Proactive Medical Review

Tuesday, September 15, 2020
1:00 p.m. - 2:15 p.m. CT

Registration Deadline:
September 14, 2020

Questions?
Contact LAI at 515-440-4630 or email us at info@leadingageiowa.org

Refund Policy
No-shows will be billed. No refunds for failure to log-in at the time of the event. Substitutions welcome anytime via fax or email. A full refund will be given to all cancellations received 10 or more business days prior to the program. A $25 administrative fee will be charged to all cancellations received six to nine business days prior to the program. No refunds will be given to cancellations received five or fewer business days prior to the program. Refunds will be calculated by the date received and the LeadingAge Iowa business days remaining prior to the program. LeadingAge Iowa reserves the right to cancel the program due to insufficient enrollment in which case pre-registered participants will be notified and full refunds provided. All cancellation and substitution requests must be emailed to Amy Huisman (ahuisman@leadingageiowa.org).

5019-20

Overview

This session will review discharge to community, hospital readmissions, and emergency room visit quality measures that impact the Quality Measure (QM) component of the Nursing Home Compare 5-Star Quality Rating system. During the session, we will review how these measures are calculated and how they impact your overall 5-Star Quality Rating. The session will focus on best practices for decreasing unplanned discharges, emergency room visits, and return to hospital visits in short-term stay residents and improve your quality measures using a Quality Assurance Performance Improvement (QAPI) framework with emphasis on reduction of common MDS coding errors and implementation of a facility specific 5-Star road map action plan. Sample tools will be shared for driving and sustaining 5-Star Quality.

Learning Objectives

By the completion of the presentation, attendees will be able to:

- Review how the discharge to community, hospital readmissions, and emergency room visits quality measures are calculated and impact the 5-Star Quality Rating score.
- Discuss the Requirements of Participation related to Discharge Planning.
- Examine best practices for improving discharge to community, hospital readmissions, and emergency room visits quality measures impacting 5-Star Quality Rating score.
- Describe a process for establishing priority QAPI goals and actions to improve discharge to community, hospital readmissions, and emergency room visits quality measures.

Who Should Attend

Director of Nursing, Assistant Director of Nursing, Nurse Managers, Nursing Home Administrators, Nursing staff and leaders, Quality Assurance Director, Social Services, and Rehabilitation services. Intermediate instructional level.

Continuing Education Credit

Nursing Home Administrators – This session is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators for 1.25 contact hours. No partial credit allowed. Retain certificate for four years.

Iowa Board of Nursing Provider #67 – 1.25 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. Retain certificate for four years.

For other long term support and service provider professionals not listed above: Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.
