

This event is scheduled in a virtual, live-streaming webinar format. To meet the regulatory and education requirements, participants must stay for the entire event to receive credit. Sign-in and sign-out times, as well as attentiveness, will be verified before credit is issued. Contact [Amy Huisman](#) for details or questions.

PROGRAM DESCRIPTION

This class meets Iowa Assisted Living Regulation: 481-69.29(6): All programs employing a new delegating nurse after Jan. 1, 2010, shall require the delegating nurse within six months of hire to complete an assisted living manager class or assisted living nursing class whose curriculum includes at least six hours of training specifically related to Iowa rules and laws on assisted living. A minimum of one delegating nurse from each program must complete the training. If there are multiple delegating nurses and only one delegating nurse completes the training, the delegating nurse who completes the training shall train the other delegating nurses in the Iowa rules and laws on assisted living. As of Jan. 1, 2011, all programs shall have a minimum of one delegating nurse who has completed the training described in this subrule.

PROGRAM AGENDA

Oct. 7, 2021

12:30 – 4 p.m.*

Assisted Living Administrative Rules, Trends and Updates (Linda Kellen, Department of Inspections and Appeals)

Knowing the regulations and understanding the monitoring process will assist in maintaining a focus on quality tenant services. A review of what to expect during this process and the documentation needed to be successful will be held.

Oct. 14, 2021

12:30 – 3 p.m.

Medication Management (Julie Johnson, Assisted Living Partners, L.L.C.)

During this presentation, we will cover medication management in assisted living. We will also cover high risk medications, why they are high risk medications, and what you need to be aware of when tenants are receiving high risk medications.

Nurse Delegation and its Use in Assisted Living (Julie Johnson, Assisted Living Partners, L.L.C.)

Nurse delegation and its use in assisted living will be reviewed. The role of the assisted living nurse and direct care worker will be presented and how delegation can be used effectively.

3:15 – 4:30 p.m.

Fire Safety/Life Safety (Michael Loew, Iowa Department of Public Safety)

This session will provide the assisted living manager an overview of fire safety precautions and inspections. A discussion of the assisted living emergency plan will be held including recognition of hazards, fire drills, alarm systems, and evacuation plans, including those with special physical and mental disabilities.

*A 15-minute break will be scheduled during this session.

CONTINUING EDUCATION CREDIT

Iowa Board of Nursing Provider #67 – 7 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. You must attend the entire program to receive credit. Retain certificate for four years.

Nursing Home Administrators – 7 contact hours will be awarded for attendance at the entire event. This program is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators. You must attend the entire program to receive credit. No partial credit allowed. If audited, you will be asked to provide your certificate of attendance and program material. Retain certificate for four years.

Assisted Living Recertification - 7 contact hours toward continuing education for maintaining Assisted Living Leadership Certification for attending the entire event.

For other long term support and service provider professionals not listed above: Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.

FACULTY

Julie Johnson, RN, Nurse Consultant, Assisted Living Partners, L.L.C.

Julie Johnson received her RN at Des Moines Area Community College. She has been a nurse consultant with Assisted Living Partners since June 2019. In her capacity, she completes regulatory compliance reviews providing written reports with recommendations on improving assessments and tenant charts. Julie also goes to assisted living communities as an RN completing assessments, updating service plans, and implementing new systems. She has worked in long term care for many years (15+) serving as a director of nursing and director of assisted living. She is currently working on her BSN in nursing through Grand Canyon University.

Linda Kellen, RN, MS, Bureau Chief, Adult Services/Special Services Bureaus, Department of Inspections and Appeals

Linda Kellen has been with the Department of Inspections and Appeals as a surveyor/monitor in the special services and adult services bureaus since 2008 and is now the bureau chief for both bureaus. Kellen is a registered nurse and has a bachelor's degree from Morningside College in Sioux City and a master's degree in administrative studies (health care emphasis) from the University of South Dakota. Prior to joining DIA, Kellen worked as chief operations officer for a brain injury rehabilitation facility in Sioux City and as director of nursing and staff nurse at other facilities in the Sioux City area.

Michael Loew, Construction/Design Engineer Senior, Iowa State Fire Marshal Division

Michael Loew is a Construction/Design Engineer Senior with the Iowa State Fire Marshal Division. He is a Certified Building Official who has been in the building/construction industry since 2007, and has previously worked as a Master Foreman for the Weitz Company and as a Building Inspector for the City of Des Moines. Since joining the State Fire Marshal Division in January of 2019, Michael's primary role has been to ensure that any new construction projects, additions, or remodels in Assisted Living facilities comply with the state building and fire code.
