5010-21

This event is scheduled in a virtual, live-streaming webinar format. To meet the regulatory and education requirements, participants must stay for the entire event to receive credit. Sign-in and sign-out times, as well as attentiveness, will be verified before credit is issued. Contact [Amy Huisman](#) for details or questions.

Overview

Long-term care providers have been on the frontlines during the COVID-19 pandemic. This webinar will provide a detailed explanation of CDC guidelines for housekeeping. This is a great opportunity to enhance and refresh the knowledge base of housekeeping staff. Gather your team, especially housekeeping, and hear from an expert with 20 years of housekeeping experience, specifically in long-term care.

Objectives

- Explain how to properly clean and disinfect their nursing home per CDC guidelines.
- Summarize how to determine what should be cleaned and disinfected and how often (especially during an outbreak).
- Describe how to properly clean and disinfect surfaces.
- Identify how to access contact time.
- Discuss how to stop the spread of infectious diseases.
- Execute correct dilution ratio for various chemical agents.
- How to ensure your housekeeping department is cleaning and disinfecting your facility consistently and effectively.

Who Should Attend

Administrators, Environmental Services/Facility Maintenance, Housekeeping, and other staff involved with infection control and housekeeping. This webinar is appropriate for SNF/NF. AL and ADS may benefit from the concepts presented in this webinar as well.

Continuing Education Credit

Nursing Home Administrators – This webinar is intended to meet the criteria established by the Iowa Board of Examiners for Nursing Home Administrators for 1.25 contact hours. You must attend the entire program to receive credit. No partial credit allowed. Retain certificate for four years.

Iowa Board of Nursing Provider #67 – 1.25 contact hours. Providership regulations do not allow for partial credit to be given for any portion of this program. You must attend the entire program to receive credit. Retain certificate for four years.

For other long-term support and service provider professionals not listed above: Most licensure boards, credentialing agencies, and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. Most also require information objectives, date/time of presentation, agendas, faculty bios, and number of hours earned. If you require information for this purpose, please contact Amy Huisman in advance for assistance.

Faculty

Ralph Peterson, CEO and Founder, The Standard Health and Rehab

Ralph Peterson is the CEO and Founder of The Standard Health and Rehab, the #1 Training Program for housekeeping & laundry management in long-term care facilities. With 20 years of housekeeping experience, specifically in long-term care, Ralph is the leading expert. He knows what state surveyors look for during inspections and knows how to train the trainer. Most importantly he knows how to lower overhead, reduce waste, and maximize your profits. He is also a #1 Best-Selling Author, professional keynote speaker and a highly sought-after management development coach.
