

Director of Nursing Virtual Networking Meetings

June 11, 2020
Virtual Meeting

NEW DATE November 19, 2020
Virtual Meeting

You are invited to join us for a newly developed member benefit for directors of nursing (DONs) and their clinical leadership teams. The Director of Nursing Virtual Networking Meetings will provide an update of industry hot topics, such as survey trends and tips and strategies for implementing the Requirements of Participation (RoPs). Each meeting will engage in an informal networking forum to share ideas and insights into best practices. DIA has been invited to attend and share up-to-date information and topics important to you.

These meetings have been transitioned to a virtual format so that DONs and other nurse leaders can attend all meetings safely. There will be CEs available in the new virtual format, and the schedule has been adjusted to be 10:00 a.m. – 12:00 p.m. The DON Virtual Networking meetings are available for LeadingAge Iowa members only.

Attendees will have the opportunity to submit questions/topics for discussion when registering.
