

Tools To Optimize Care & Environments for People Living with Dementia Workshop

Aurora Training Center (Building #3)
11159 Aurora Ave., Urbandale, IA 50322

~~April 16, 2020~~ **POSTPONED - DATE TBD**

PROGRAM DESCRIPTION

This interactive full-day workshop will share effective strategies to best facilitate function and the levels of care and assistance for residents who are living with dementia. This will include effective mealtime strategies for improved nutrition, systems to identify and manage fall risks and multisensory strategies to address the root causes of agitation and resulting behaviors. This workshop meets the following DIA requirements for dementia training LTC 58.54(6)a.(2), 58.54(6)a.(3), 58.54(6)a.(6), 58.54(6)a.(7), 58.54(6)a.(8) and AL 69.30(2)g., 69.30(2)i., 69.30(2)j).

PROGRAM OBJECTIVES

At the end of this session, participants will be able to:

- Cite the relevant factors to understanding the perceptions of a person living with dementia.
- Identify effective mealtime strategies to improve interest in eating and nutritional intake with residents who have dementia.
- Cite the expected changes in physical skills per progressive stage of dementia, to support the changing subsequent needs.
- Identify multisensory interventions to address agitation and behaviors related to sensory stimuli.
- Discuss the effects of environmental influences, with proposed solutions to minimize agitation from such sources.
