Skilled nursing facilities (SNFs) must navigate the evolving Medicare revalidation and disclosure requirements. Join our expert-led webinar on January 16th presented by Frank A. Mazzagatti, PhD, Esq., a Partner in the Health Care Practice Group at Hinshaw & Culbertson, LLP for an informative and timely discussion to assist members on how to navigate the revalidation process in an efficient and effective manner. This discussion will also offer an opportunity for questions to be asked.

- Understand the new revalidation process and its enhanced disclosure requirements, specifically those that go beyond the routine ownership disclosures previously mandated under Section 1124 of the Social Security Act.
- Understand the changes introduced by the new Attachment 1 Form.
- Identify and address the key areas of uncertainty regarding the disclosure requirements.

Who Should Attend

Executive directors, nursing home administrators, business office staff, and compliance officers.

Faculty

Frank A. Mazzagatti, PhD, Esq., a Partner in the Health Care Practice Group at Hinshaw & Culbertson, LLP

Frank Mazzagatti, Ph.D., represents healthcare providers, hospitals, group practices, skilled nursing facilities, and specialty pharmacies, among other industry practitioners. His practice focuses on corporate transactions, compliance and regulatory laws, license defense, accreditation, and third-party commercial and governmental audits. He also represents clients in responding to as well as investigations by the Office of the Attorney General, the United States Attorney, and other governmental entities or licensing bodies.

Frank creates strategic plans and regulatory analysis regarding C-Suite operations for shareholders, members, and boards of directors. He has extensive experience representing appellants at all levels of appeal for Medicare and Medicaid controversies. Frank has created a New York State precedent with promissory note planning. He has also helped providers save millions of dollars by defending them against health insurance overpayment audits. Frank has successfully challenged carriers' erroneous use of statistical extrapolation and/or misuse of Current Procedural Terminology (CPT®) codes and local coverage determinations.

Frank has a successful track record in obtaining Medicare and Medicaid reinstatements for clients who were excluded for various reasons. He defends licensees before the Office of Professional Medical Conduct as well as the Office of Professional Discipline. His clients have often commented that Frank's combined experiences as an attorney, healthcare provider, and executive hospital administrator have enabled him to deliver results that far exceeded their expectations.

Frank teaches Health Law as a special professor of law at his alma mater, Hofstra University's Maurice A. Deane School of Law.

Continuing Education Information

Nursing Home Administrators – The event is designed to provide 1.0 contact hour, aligning with the criteria set by the Iowa Board of Examiners for Nursing Home Administrators for participants who attend the entire event. Please note that partial credit will not be granted; full attendance is required to receive contact hours or a certificate of attendance. LAI will verify electronic virtual sign-in and sign-out times before issuing certificates.

For other long-term support and service provider professional not listed above: Most licensure boards, credentialing agencies and professional organizations have processes that allow individuals to earn a certain number of CEUs for non-preapproved programs and/or to accommodate self-submission for approval of continuing education hours after the event takes place with proper documentation from the program sponsors. It is up to the discretion of the licensee to choose relevant sessions and self-report. Certificates of attendance will be provided for this purpose.
